# How Do I Reset My Password?

- After logging in, click the **My Options** link in the upper right corner.
  - Fill in your new Password and re-enter for confirmation.
  - Fill in your old Password where requested in the bottom box.
  - Click **Save**.

The screenshot shows a web browser window titled "My Options". The page has a blue header with "My Options" and a lock icon. Below the header are three tabs: "Personal Info", "Settings", and "Accounts". The "Personal Info" tab is active, displaying the following information:

Username	z1234567
Institution	The University of New South Wales, Australia (unsw.edu.au)
Fullname	Student, Dummy
Email Address	<input type="text" value="z1234567@unsw.edu.au"/>

Below this information is a "Change Password" section with two input fields: "New Password" and "Re-enter New Password".

At the bottom of the form, there is a note: "If you changed any information above, enter your current password and click Save." followed by a "Password" input field and a "Save" button.
